Unfolded Single & Double Sided Invitation & Envelope Sizes

For the 5 x 7 inch size the envelopes are a more snug fit. We would recommend this size for Save The Dates or Invitations without a lot of detail or text.

5 x 7 Inch Envelope 133mm x 184mm

5 x 7 Inch Invitation
127mm x 177mm

For the standard A5 invitations, the envelopes are C5 size which are larger than the invite. This is the standard envelope size for this size of print. The A5 size is popular for including more text and design. The envelope also offers extra room for ribbons or decorative elements.

C5 Envelope 162mm x 229mm

A5 Invitation 148mm x 210mm

If you would prefer your print and envelope a tighter fit and if your design is detailed with a lot of text, we would recommend the enlarged A5 print size.
